CURRICULUM VITAE

Engin Celenk, M.Sc.

IT Architecture · Cyber Security · IT Management, with AI as the vertical

Stuttgart region, Germany ec.immofuchs.info linkedin.com/in/engin-celenk

Computer scientist (M.Sc.) with many years of project experience in large corporations such as Bosch, Daimler and TRUMPF. My profile rests on three equal pillars: IT architecture, cyber security and IT management (project, program and solution management). AI and agentic architectures connect all three as a vertical. I bring this combination into demanding, international projects.

COMPETENCE PROFILE

IT Architecture

- Architect for multiple Bosch projects worldwide, across different technologies
- Microservice architectures
- Architectures for Security Class 3 (SC3) solutions
- Cloud and SaaS architectures

Cyber Security

- Cyber security engineer for multiple projects within Bosch worldwide
- Implementing cyber security concepts in line with the corporate cyber security policy
- Threat analysis and risk assessment (TARA) for various projects and SAP
- Cyber security mentoring within the Bosch Group

IT Management

Project, program & solution management

- Single point of contact on the IT side
- Full budget and project responsibility
- Contracting and steering of further roles
- Project management for B, C and D projects

AI & Agentic · The vertical across all three pillars: AI as part of architecture, security and delivery.

- **AI & agentic architecture**
- **AI security**
- **AI adoption & AI-assisted delivery**

SAP project experience · BW/BI · SD · MM · FI · PP · SCM · SRM
